

Duraflect® copper-free mirror

Our patented process is a quantum leap in mirror manufacturing. Contractors Wardrobe® is the first in the United States to exclusively manufacture copper-free mirror.

Picture of Contractors Wardrobe®'s Klöpper Mirror Conveyor — located in Sacramento, California. The efficiencies of the line along with the "Copper-Free" chemical solution are environmentally friendly and improve the quality and life of the mirror.

Duraflect® copper-free mirror is:

- Warrantied right up to the ocean for a period of 5 years
- Not affected by high humidity locations, such as bathrooms
- Proven superior to conventional mirror in all accelerated tests
- 2 to 5 times better than conventional copper mirror
- Shown to dramatically reduce the appearance of black edge
- Highly resistant to atmospheric degradation
- Installer friendly, offering the glazier a vast range of silicone bearing adhesives
- Highly resistant to ammonia, found in many types of cleaners

Crystal Clear™

Bronze

Gray

Mystique™

Note: Decorative mirror inserts have 400lb category II safety backing. Printed colors shown are for representation only.

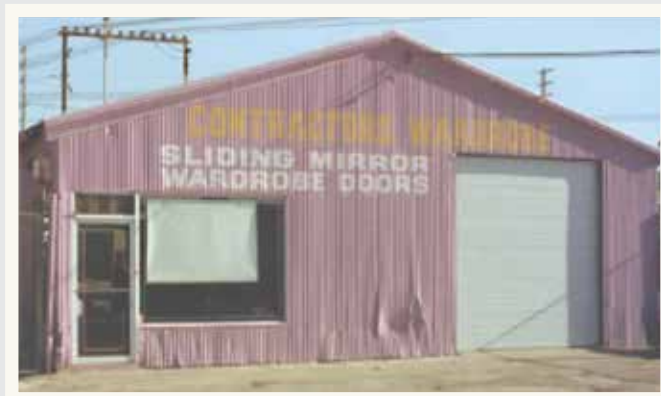

The Cw® story

Contractors Wardrobe® was founded in 1972 and began designing and manufacturing its own products in 1976. Since then, Cw® has continued to expand its product lines and develop some of the finest home improvement products found anywhere in the world.

Today, worldwide operations and state-of-the-art, vertically integrated manufacturing facilities are controlled from its 258,000 square foot corporate headquarters located in the Santa Clarita Valley, just north of Los Angeles, California.

Additional facilities and showrooms located in Sacramento, California; Las Vegas, Nevada; Tempe, Arizona and Pompano Beach, Florida; in total over 500,000 square feet, as well as a broad distribution throughout the United States, keeps us poised to serve and supply the residential, commercial and hospitality industries with equal ease and service.

Closet Doors

Cw® diamond quality guide

No matter what your style or budget, there's a Cw® wardrobe door to fit.

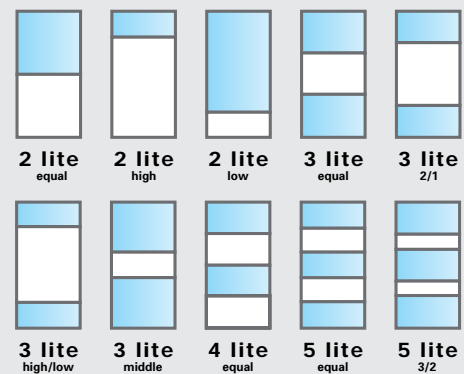

The diamond quality guide system lets you quickly and easily locate your door.

True divided lite

Panel configurations

True divided lite door patterns are an essential element for adding a defining characteristic to a wide range of styles. From elegant, old-world to arts and crafts and even the most minimalist, modern designs, true divided lite offers a multitude of panel configurations separated by our H-bar.

^A Single piece oak/maple fascia supplied up to 144". ^B Unfinished oak or maple not guaranteed against warpage. ^C Specifications subject to change without notice. ^D Since wood is a natural product, the texture, grain and color will affect finish. It is impossible to guarantee an exact match between wood pieces. ^E Single piece mirror fascia supplied up to 120".

Just follow the diamond quality guide:

◆ Diamond / GOOD
The most cost-conscious buyer need not sacrifice quality nor long lasting beauty. All 1 Diamond ◆ Cw® wardrobe doors begin with only the finest quality materials and workmanship. We're certain that you will find our "Good" doors a step above the rest.

◆◆ Diamond / BETTER
See and feel the difference. More styles, more features to choose from with 2 Diamond ◆◆. The jewel-like sparkle of beveling... graceful sliding doors or space-conscious bi-folds... adding style and elegance to a room gets even easier!

◆◆◆ Diamond / BEST
Using trend-setting designs, when you see 3 Diamond ◆◆◆ you're getting the very best that money can buy. From Ultraglide® felt-lined top channels to easy-glide heavy-duty hardware... and deep-cut custom beveling, to the richness and warmth of hand-finished solid oak and clear maple... Cw®'s best is unsurpassed.

BETTER

Exceptional value

Cw® 2 Diamond ♦♦ doors offer a wider variety of styles and features. Lovely oak, aluminum and steel frames come in several popular finishes and styles. Our aluminum doors are made of heavy duty extruded aluminum which is carefully polished (A-1 buffed) on all exterior surfaces for a brilliant, smooth finish and anodized for superb, long-lasting color.

Cw® oak doors are hand sanded and stained and come in a range of wonderful wood tones... from the more traditional Medium and Dark Stains to the Whitewash and Clear Acrylic Sealer.

Our popular frameless Brittany® Bi-Pass is available with beautiful 1/2" bevel along vertical edges and beveled mirror fascia for that crowning touch! The space-saving Brittany® Bi-Fold makes the most of small closet openings and limited space. Choose from the following models:

- Aristocrat™
- Aristocrat™ Vanity Flair
- Aurora™
- Aurora™ Plus
- Aurora™ Plus Walk-In
- Brittany®
- Brittany® Bi-Fold
- Golden Oak™
- Golden Oak™ Vanity Flair
- Serenity™
- Tranquility™

BEST

Top-of-the-line in style and value

Peerless perfection... Cw®'s 3 Diamond ◆◆◆ doors are your assurance of buying only the best! Every 3 Diamond ◆◆◆ sliding door features our exclusive Ultraglide® felt lined top channel, dual race ball bearing wheels and jump-proof tracks for velvety smooth operation. Selected models are standard with 1/4"(6mm) thick mirror for exceptional strength. Richly stained, hand finished oak and clear maple doors feature an extra application of Clear Acrylic Sealer.

Cw®'s Royal Oak® and Royal Maple™ doors are the height of interior door elegance with full 2 1/2" wide solid hardwood frames and elegant insert handles. An exquisite 1" bevel along all mirror edges is optional and pre-attached matching fascia standard.

The incredible frameless sliding and bi-fold doors incorporate state-of-the-art frame technology with minimal frame profile. Choose from the following models:

- Asprey®
- Concord™
- Concord™ Plus
- Eclipse®
- Fantasy IV®
