▶ Hardware Solutions' new Quality Control Laboratory is the latest innovative step towards delivering you the best products in the industry. This one of a kind state-of-the-art Lab allows Hardware Solutions to ensure that you get the best, fully tested product and materials possible. With a six station step by step Quality Assurance verification process we can now deliver to you a better, more guaranteed product.

RENEW POLYMERS

▶ Hardware Solutions is now 100% closed loop certified by Renew Polymers. This means that all contaminated scrap created by the Hardware Solutions manufacturing plant never goes in the trash.

By using Renew Polymers' state-of-the-art recycle plant, Hardware Solutions can now recycle and extrude packaging that is water proof and three times more durable than cardboard. This also makes Hardware Solutions a responsible steward of the environment, saving over 120 metric tons of trees per year!

NEW! FLATTRIM BOXES

Now your product can be stored outside in the sun or the rain with no problems. This also means far less damaged product during transport to and from job sites.

- ▶ RECYCLED PACKAGING
- ▶ 3 TIMES STRONGER THAN CARDBOARD
- ▶ ELIMINATES DAMAGED DELIVERY ISSUES
- ▶ WATER PROOF / STORES ANYWHERE

RESEARCH & DEVELOPMENT

- ▶ With our own in-house tooling department, Hardware Solutions continues to deliver innovations that cater to our customers needs.
- ▶ Developing in the U.S.A for 19 years, Hardware Solutions has Designed, Created and Innovated over 147 profiles that satisfy the needs of Vinyl Window Installers and Window Manufacturers.

OUR NEW VISION

Hardware Solutions Company is now developing and selling component parts for some of the leading vinyl window manufacturers in the U.S.A. Everything from glazing bead to roller tracks and shipping blocks. Hardware Solutions Company has found a way to do this using Renew Polymers' 100% recycled and certified PVC.

LIFETIME WARRANTY

▶ The Right Trim For Life! ▶ Made in the U.S.A ▶ Lifetime Warranty

▶ Product Warranty

Because Hardware Solutions uses AAMA Certified window profiles, We can confidently stand behind our products and extend you the same warranty as your window manufacturer does.

Hardware Solutions warrants that its' products will be free from manufacturing defects including peeling, flaking, blistering and corroding when subject to normal and proper use.

As part of Hardware Solutions' comprehensive warranty, our SIS Copolymer Adhesive will not break down or fail for the life of the window (as used in interior applications).

▶ Serial Number Warranty

All serial numbered products manufactured by Hardware Solutions' extrusion plant in Prescott, Arizona are covered under this warranty. All serial numbered products are made of AAMA Certified window profiles and SIS CoPolymer adhesive.

▶ Cupped Trim Warranty

Hardware Solutions guarantees our trim to be free of any warping or cupping of any kind. If trim is cupping, bowed or warped and trim cannot therefore adhere to the window frame, Hardware Solutions will reimburse materials and labor for the life of the window.

▶ SIS Adhesive Warranty

In the event of adhesive failure, Hardware Solutions will reimburse materials and labor for the life of the window.

▶ Adhesive Warranty Limitations

This warranty is void if there is less than 3/4" of adhesive contact on the window frame when using flat trim. Hardware Solutions cannot be held responsible for adhesive failure due to uneven surfaces or defects from window manufacturers or other sub straights. Any dirt, petroleum, wax or silicone based cleaners used to clean window frame prior to installing trim will void warranty. VinylClean is the only product that we will endorse for safe and effective frame cleaning. It is at Hardware Solutions' discretion to quantify amount of failed trim and/or amount of refund.

Renew Certified Formula

**100% AAMA Certified
Window Profiles**

How Can We Afford To Warranty For LIFE?

All of our extruded products are made of 100% AAMA certified window frame cut off formulas. These formulas are supplied by many of the leading window manufacturers that you buy windows from.

OUR VISION

Listen to our customers and seek solutions to meet their needs. Partner with the best vendors and engineers in the industry. Constantly increase quality, service and support. Regularly invent new ideas and products. Be efficient, fair and humble.

▶ Our Customers

Humility is Godly. Every customer must be treated with maximum integrity and urgency with every decision we make.

▶ Our Vendors/Suppliers

Seek vendor partnerships that will enhance our raw materials and level of service to better serve our customers.

▶ Our Products

Made in the USA, our products have and always will be built with the best materials and designed with the best innovative equipment available.

▶ Professional Installers

Keeping our customers and their customers happy is the fundamental principle of our company. We seek input from installers and welcome the ideas and thoughts of everyone we do business with.

▶ Employees

Every team member will be respected by management. All employees will be heard and given the tools to succeed and prosper as their skills continue to grow.

▶ Service Guaranteed

We support our customers and stand behind our products. We believe that you deserve the best warranty in the business, and it should be hassle free.

AAMA MEMBERSHIP & CERTIFICATION

VinylVisions Company is a proud Member of AAMA, the American Architectural Manufacturers Association. Made in the U.S.A for over 19 years, all TrimQuick extruded products are guaranteed for life!

▶ Manufacturing

The American Architectural Manufacturer Association (AAMA) is made up of people like you, people who are concerned about the direction of their company and the industry. As a material-neutral organization, AAMA brings together window, door, skylight, curtain wall and storefront manufacturers, suppliers and test labs to represent our individual and shared concerns. AAMA's membership is comprised of large and small companies that are both residentially and commercially focused.

▶ Membership

AAMA is the source of performance standards, product certification and educational programs for the fenestration industry. AAMA's membership of about 300 fenestration companies includes window, door, curtain wall, storefront, skylight and sunroom manufacturers, and their material and component suppliers in the residential and commercial markets.
